LIST OF HARITORS

Registered Motor Vehicles

June 23, 1906

Printed by the Secretary of the State

Gartford Press THE CASE, LOCKWOOD & BRAINARD COMPANY

SPECIAL FEATURES OF THE AUTOMOBILE LAW OF 1905.

The owner, not the machine, is registered, and retains his registration number under all circumstances. Every machine used by him must bear this number.

Every Connecticut automobile owner must register in his own state, and every machine must carry two markers displayed in a conspicuous place and manner, one in the rea, securely fastened so as not to swing, the other in front, also securely fastened.

No markers are legal, except those furnished by the Secretary of this State, as by law provided. Any attempt at evasion of this provision renders the offender liable to a fine of fifty dollars.

Officers of the law should be thoroughly familiar with this statute, and see to it that all its provisions are fully complied with.

THEODORE BODENWEIN,
Secretary

GENERAL ASSEMBLY,

JANUARY SESSION, 1905.

[Substitute for House Bill No. 60.]

CHAPTER 230.

AN ACT

Concerning the Registration, Numbering, Use, and Speed of Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road rollers, fire engines, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

Sec. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state a statement of his name, residence, and post office address, on a blank furnished by the said secretary for that purpose, and shall obtain from the said secretary a numbered certificate, which certificate shall state the name of such owner and that he has registered in accordance with the provisions of this act.

SEC. 3. Every such motor vehicle, except motor bicycles, shall, at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner, securely fastened so as not to swing, npon both the front and rear of such vehicle, a plate or marker, which shall be obtained from the said secretary as hereinafter provided, and which shall bear the initial letter of this state and the number of the certificate issued to the owner of such motor vehicle, the letter and figures thereon to be four inches high and each stroke thereof to be one-half inch wide, and at all times unobscured.

[Sec. 3, amended by chapter 282, following.]

Sec. 4. Every motor bicycle shall, at all times while being used or operated upon the public highways of this state, have displayed thereon the initial letter of this state and the number of the certificate issued to the owner of such motor bicycle, such letter and figures to be at least one inch high and either painted on such motor bicycle or displayed on a plate or marker securely fastened thereto.

SEC. 5. The said secretary of the state shall keep a record of all statements filed with him, and of all certificates issued by him, which record shall be open to public inspection; he shall furnish from time to time, at cost price, to any person registered under the provisions of this act, as many plates or markers as may be required by such person for display upon the one or more motor vehicles, except motor bicycles, owned by him at the time of such registration, or thereafter acquired, the number on such plates or markers to be the same in every case as the number of the certificate originally issued to such person under the provisions of this act; and in the event that any certificate issued by the said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate has been thus lost or destroyed a duplicate thereof, bearing the same number as the certificate originally issued to such person.

Sec. 6. A fee of one dollar shall be paid to the said secretary of the state for each original or duplicate certificate issued by him

in accordance with the provisions of this act.

SEC. 7. No license, permit, or registration shall be required of the owner or operator of any motor vehicle except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act; but nothing in this section contained shall apply to such motor vehicles as are offered to the general public for hire.

SEC. 8. Any nonresident of this state who shall have complied with the laws of any other state or territory of the United States requiring the registration of owners of motor vehicles, or of both, and the display of identification numbers on such motor vehicles, and who shall cause the identification numbers of such state or territory, in accordance with the laws thereof, together with the initial letter or letters of the state or territory issuing the same, to be displayed on his motor vehicles while used

or operated upon the public highways of this state, may use such highways, for a period not to exceed fifteen days in any one year, without complying with the provisions of the foregoing sections of this act; provided, however, that if any nonresident shall be convicted of violating any provision of section ten or section eleven of this act he shall thereafter be subject to and required to comply with all the provisions of sections two, three, four, five, six and seven of this act.

. Sec. 9. No prosecution based upon sections two, three and four of this act shall be brought for any offense committed prior to August 1, 1905.

SEC. 10. No person shall operate a motor vehicle on the public highways of this state at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger property or the life or limb of any person, or, in any event, within the limits of any city or borough at a greater rate of speed than one mile in five minutes, or outside the limits of any city or borough at a greater rate of speed than one mile in three minutes.

Sec. 11. Upon approaching any person walking in the traveled portion of any public highway, or a horse or any other draft animal being led, ridden, or driven therein, or a crossing of intersecting public highways, or a bridge, or a sharp turn or curve, or a steep descent, and also in passing such person, horse, or other draft animal, and in traversing such crossing, bridge, turn, curve, or descent, the person operating a motor vehicle shall have the same under control and shall reduce its speed. If such horse or other draft animal being so led, ridden, or driven shall appear to be frightened, or if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same and the motor or other power propelling the same immediately to a stop and, if traveling in the opposite direction, shall remain stationary so long as may be reasonable to allow such horse or animal to pass, or, if traveling in the same direction, shall use reasonable caution in thereafter passing such horse or other animal.

SEC. 12. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to

motor vehicles shall have any force or effect; provided, however, that powers given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers shall remain in full force and effect.

SEC. 13. In all complaints for the violation of any provision of this act the justice of the peace before whom the same shall be tried shall have jurisdiction and power to render judgment therein, and issue process of execution and mittimus thereon, where such fine or penalty imposed shall not exceed two hundred dollars, or imprisonment for thirty days, or both; but the defendant shall have the right of appeal as in other cases.

SEC. 14. Any person violating any provision of sections ten and eleven of this act shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both, for a first offense, and shall be fined not more than five hundred dollars, or imprisoned not more than sixty days, or both, for any subsequent offense. Any person violating any other provision of this act shall be fined not more than fifty dollars.

SEC. 15. Chapters 107 and 108 of the public acts of 1903 and all other acts and parts of acts inconsistent herewith are hereby repealed.

SEC. 16. This act shall take effect July 15, 1905. Approved July 13, 1905.

[SENATE BILL No. 248.]

SPECIAL FEATURES OF THE AUTOMOBILE LAW OF 1905.

The owner, not the machine, is registered, and retains his registration number under all circumstances. Every machine used by him must bear this number.

Every Connecticut automobile owner must register in his own state, and every machine must carry two markers displayed in a conspicuous place and manner, one in the rear, securely fastened so as not to swing, the other in front, also securely fastened.

No markers are legal, except those furnished by the Secretary of this State, as by law provided. Any attempt at evasion of this provision renders the offender liable to a fine of fifty dollars.

Officers of the law should be thoroughly familiar with this statute, and see to it that all its provisions are fully complied with.

THEODORE BODENWEIN,
Secretary.

State of Connecticut

GENERAL ASSEMBLY,

JANUARY SESSION, 1905.

[SUBSTITUTE FOR HOUSE BILL No. 60.]

CHAPTER 230.

AN ACT

Concerning the Registration, Numbering, Use, and Speed of Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road rollers, fire engines, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

SEC. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state a statement of his name, residence, and post office address, on a blank furnished by the said secretary for that purpose, and shall obtain from the said secretary a numbered certificate, which certificate shall state the name of such owner and that he has registered in accordance with the provisions of this act.

SEC. 3. Every such motor vehicle, except motor bicycles, shall, at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner, securely fastened so as not to swing, upon both the front and rear of such vehicle, a plate or marker, which shall be obtained from the said secretary as hereinafter provided, and which shall bear the initial letter of this state and the number of the certificate issued to the owner of such motor vehicle, the letter and figures thereon to be four inches high and each stroke thereof to be one-half inch wide, and at all times unobscured.

[Sec. 3, amended by chapter 282, following.]

Sec. 4. Every motor bicycle shall, at all times while being used or operated upon the public highways of this state, have displayed thereon the initial letter of this state and the number of the certificate issued to the owner of such motor bicycle, such letter and figures to be at least one inch high and either painted on such motor bicycle or displayed on a plate or marker securely fastened thereto.

Sec. 5. The said secretary of the state shall keep a record of all statements filed with him, and of all certificates issued by him, which record shall be open to public inspection; he shall furnish from time to time, at cost price, to any person registered under the provisions of this act, as many plates or markers as may be required by such person for display upon the one or more motor vehicles, except motor bicycles, owned by him at the time of such registration, or thereafter acquired, the number on such plates or markers to be the same in every case as the number of the certificate originally issued to such person under the provisions of this act; and in the event that any certificate issued by the said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate has been thus lost or destroyed a duplicate thereof, bearing the same number as the certificate originally issued to such person.

SEC. 6. A fee of one dollar shall be paid to the said secretary of the state for each original or duplicate certificate issued by him

in accordance with the provisions of this act.

Sec. 7. No license, permit, or registration shall be required of the owner or operator of any motor vehicle except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act; but nothing in this section contained shall apply to such motor vehicles as are offered to the general public for hire.

SEC. 8. Any nonresident of this state who shall have complied with the laws of any other state or territory of the United States requiring the registration of owners of motor vehicles, or of both, and the display of identification numbers on such motor vehicles, and who shall cause the identification numbers of such state or territory, in accordance with the laws thereof, together with the initial letter or letters of the state or territory issuing the same, to be displayed on his motor, vehicles while used

or operated upon the public highways of this state, may use such highways, for a period not to exceed fifteen days in any one year, without complying with the provisions of the foregoing sections of this act; provided, however, that if any nonresident shall be convicted of violating any provision of section ten or section eleven of this act he shall thereafter be subject to and required to comply with all the provisions of sections two, three, four, five, six and seven of this act.

SEC. 9. No prosecution based upon sections two, three and four of this act shall be brought for any offense committed prior to August 1, 1905.

Sec. 10. No person shall operate a motor vehicle on the public highways of this state at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger property or the life or limb of any person, or, in any event, within the limits of any city or borough at a greater rate of speed than one mile in five minutes, or outside the limits of any city or borough at a greater rate of speed than one mile in three minutes.

Sec. 11. Upon approaching any person walking in the traveled portion of any public highway, or a horse or any other draft animal being led, ridden, or driven therein, or a crossing of intersecting public highways, or a bridge, or a sharp turn or curve, or a steep descent, and also in passing such person, horse, or other draft animal, and in traversing such crossing, bridge, turn, curve, or descent, the person operating a motor vehicle shall have the same under control and shall reduce its speed. If such horse or other draft animal being so led, ridden, or driven shall appear to be frightened, or if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same and the motor or other power propelling the same immediately to a stop and, if traveling in the opposite direction, shall remain stationary so long as may be reasonable to allow such horse or animal to pass, or, if traveling in the same direction, shall use reasonable caution in thereafter passing such horse or other animal.

SEC. 12. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to motor vehicles shall have any force or effect; provided, however, that powers given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers shall remain in full force and effect.

Sec. 13. In all complaints for the violation of any provision of this act the justice of the peace before whom the same shall be tried shall have jurisdiction and power to render judgment therein, and issue process of execution and mittimus thereon, where such fine or penalty imposed shall not exceed two hundred dollars, or imprisonment for thirty days, or both; but the defendant shall have the right of appeal as in other cases.

Sec. 14. Any person violating any provision of sections ten and eleven of this act shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both, for a first offense, and shall be fined not more than five hundred dollars, or imprisoned not more than sixty days, or both, for any subsequent offense. Any person violating any other provision of this act shall be fined not more than fifty dollars.

SEC 15. Chapters 107 and 108 of the public acts of 1903 and all other acts and parts of acts inconsistent herewith are hereby repealed.

Sec. 16. This act shall take effect July 15, 1905. Approved July 13, 1905.

[SENATE BILL No. 248.]
